Short Form Bio:

Dr. Marci is President of Sustainable Life Change Institute of America & Founder of Nine Seconds Corporation. She is a CBT Certified Life Coach, best-selling author, and award-winning speaker with over 30 years of Senior level leadership & training experience. After a decade of work in Applied Psychology, Cognitive Behavioral Therapy & Social Entrepreneurship, she's developed an innovative, person-centered approach to physical and substance abuse prevention and trauma recovery.

She's a 3X People's Choice Award winner, 2021 Recipient of iChange Nation's Healthy Competition Award, and Podcast Host whose work has transformed the lives of over 100,000 men & women globally.
